26 August 2005

To Whom It May Concern:

The person presenting this letter to you is an active-duty service member, and a medical student at the Uniformed Services University. In order to be able to observe surgery, we need the student to be issued an ID card from NNMCM, and a scrub card, which will allow the student to go to the Operating Room. Please issue such cards to the student.

I appreciate your help and cooperation. If you have any questions, please contact me at my office at the University, Telephone 301-295-3715.

Sincerely,

David R. Welling Colonel USAF MC (ret)
Associate Professor of Surgery & Anatomy
Uniformed Services University
Bethesda, Maryland
